## **MISSIONS STATEMENT**

When children experience death within their family, the effect on their lives is difficult to measure.

Children can't always express their feelings, and frequently, adults don't know how to ask about them. The mission of Camp Ki.D.D. is to assist in the grief process of children, ages six through fourteen, who have experienced the death of a significant person, while providing a safe, fun-filled, weekend experience.

## **PURPOSE**

The purpose of this program is to provide help for children during a difficult time in their lives. We have no intention of causing the children discomfort or pain. The emphasis will be on fun, with a little grief work thrown in.

## **ABOUT OUR PROGRAM**

Camp Ki.D.D. is a day program for children ages 6 through 14 who have experienced the death of a family member.

The camp is sponsored by In Touch Hospice on **June 20 (5p-8p), June 21 (9a-5p) and June 22 (9a-11a)** at our own *Hospice House*.

Camp Ki.D.D. was developed to provide an opportunity for children who have lost a family member to any situation, to explore their feelings. The days will be filled with fun activities that are designed to help children express their feelings and develop ways of coping with their loss. Specially trained volunteers as well as hospice staff will provide companionship and supervision to insure the safety of the campers.

The program is free of charge for ALL children attending. The program will be limited in the number of children and applications will be taken on a first come, first serve basis.

In Touch Hospice House is located at 1474 North Center Ave. in Somerset behind Tractor Supply and right beside the Children's Aid Home. To submit an application, please complete the form on this flyer and return it to In Touch Hospice.

We look forward to meeting all of you.
